Dear Manufacturer:

Subject: 1996 Model Year Fuel Economy Ranges

Enclosed is a listing of the fuel economy ranges of comparable vehicles for the 1996 model year. Under the provisions of 40 CFR 600-306-86 (b) (2), these ranges must be included on all approved labels beginning October 1, 1995.

Labels which you approve after this date will be issued the latest available range as part of our computer-generate receipt. EPA intends to issue updated ranges sometime in February 1996.

Sincerely,

A handwritten signature in black ink, appearing to read "Tom M. Ball", written over a horizontal line.
